### About This Game

EV3 is built by real life drag racers. The fun of drag racing is driving, not just pushing buttons. In EV3 you actually drive the car using realistic variable gas pedal, steering, braking, realistic suspension and engine/torque response... It's all there. When you drive a car in EV3 you experience all the thrills and spills of real racing. In EV3 you actually feel like you're in control, because you are!

- \* The most unique drag racing game available.
- \* Race against friends and family in 1-on-1 races.
- \* Full Multiplayer - Race against players from around the globe in tournaments and championships.
  - \* Race on all of your devices with the same account and continue where you left off.
  - \* Heart pounding physics make you FEEL the horse power.
- \* Our "Auto Stage" system will do a burnout and line up for you automatically or turn it off and smoke them yourself.
  - \* Stunning graphics take you into the racing world like no other game does.
  - \* More Cars and other things coming all the time!

In-App-Purchases allow you to buy in game currency but this is not required to succeed!
